EXPERIENCE

Freelance Print / Web Designer & Developer

January 2010 - Present

Print design experience - brand identity, logos, illustrations, brochures, political campaign collateral, stationery, business cards, advertisements.

Web experience - designs created in Photoshop, development in HTML5, CSS and Wordpress. I have worked with various industries such as art galleries, law firms, non-profits and individuals.

My online portoflio can be viewed at www.cindyvenerdesign.com. Recent projects completed:

- Blondes Eat Clean - designed logo and blog website.
- Bridge Community Playschool - designed logo and website for this New York City pre-school. Built website using Wordpress.
- Omniterrum - revamped website using Wordpress for a local vintage globe company.
- Wickenburg Art Club website redesign - redesigned and developed a new website for the Wickenburg Art Club in Wickenburg, AZ using Wordpress. Project included researching appropriate plugins and themes to meet their design and user needs.
- August 2012 - May 2013 - contracted with a web development firm to create design mockups for their law firm clients. Designed thirteen website mockups in Photoshop for clients.
